RICHARD H. STEARNS, Proprietor.

A MENIA SUMMER RESORT, BABBYLON, L.I.

Four minutes' walk from either station of the Babylon and Main Railroad. Consisting of the original mill brick and stone, size, 10x50, four stories high, pitched roof slated. The capacity of this Mill is 200 barrels of flour daily, and 4,000 bushels of meal and cracked corn. The machinery, fixtures and appliances for this work are in perfect order and the best in use, save for Patent Process, to which has been added one of Draper, Cutler & Co.'s machines with every improvement for steam-cleaning and bleaching. The Mill is in full operation, and makes 100 barrels of flour daily, and 4,000 bushels of meal and cracked corn. The machinery, fixtures and appliances for this work are in perfect order and the best in use, save for Patent Process, to which has been added one of Draper, Cutler & Co.'s machines with every improvement for steam-cleaning and bleaching. The Mill is in full operation, and makes 100 barrels of flour daily, and 4,000 bushels of meal and cracked corn.
